Services we provide!

Printing turnaround!

Here at Impact Solutions, we understand the demand for printing, our turnaround times are the quickest you will find! It is company policy to ensure that all our clients receive their printing at the time and date stated by them when the order is placed.

Express printing service available!

In most cases we are able to let you 'jump-the-queue' and produce your printing in half the time. This service increases our costs. To guarantee your job is produced quickly we have to change our print schedule and usually run your job on the same day of receipt to allow time for drying and finishing. We charge a simple 15% on the job total for this service.

Artwork service!

Our speedy and enthusiastic studio can design any item you require. We thrive on new projects and always deliver what is required. With a data bank of over 1 million images, backgrounds and templates to enhance our creativity, we produce unrivalled designs. We have a price structure for all our design work and are very competitive in the market place.

Proofing!

This is a simple process, once we have completed your design, we will send you a proof either by post or email, better still, come and visit us and proof your artwork in our studio and make the necessary alterations to make your artwork perfect.

Delivery!

We are pleased to offer a FREE nationwide delivery service to our customers (excluding Bank Holidays). We use well known reliable courier companies within the UK who ensure our printing is delivered perfect condition. Local deliveries are carried out in our own vehicles. Please note that timed or Saturday deliveries can be arranged at an extra cost.

Payment!

Most of our larger, regular print customers have account facilities, if you think this is something you require, please get in touch, we will ensure your account is up and running before your first order. For customers who don't require an account, we accept various payment methods, we also have credit card facilities for your convenience!
