

Slimming Treatments

Transion - instant inch loss

A more efficient transion will give your muscles a rigorous work out while you lie back and relax.

Linfogei - Lymphatic Drainage - Detoxifying reduces cellulite, fluid retention, swelling puffiness, improves skin colour and help reduce thread veins.

Isogei - Non surgical face and body lifting obtains results on wrinkles, ageing loss of elasticity including bust lift.

Microgei - Fine lines and wrinkles regenerating and firming, improves skin tones.

All the above treatments can have a tailor made course for the individual person after a free consultation with a therapist.
