# BRITTANY MILL LAKES

*The complete French fishing experience!*

Brittany Mill Lakes is a superb carp fishery set amidst the tranquil southern Brittany countryside. Ancient woodland is the backdrop for the two stunning 12 acre lakes. Both waters are fed by a constant flow of fresh spring water providing the perfect environment to sustain the high stock level required for a first class fishery. If you're looking to catch carp in France of the highest quality, look no further than Brittany Mill Lakes, it's the perfect, complete French fishing experience!

## Catch fish dreams are made of!

With common carp and mirror carp to over 50lbs, Brittany Mill Lakes is the perfect venue to catch fish you have only dreamed about. Our main lake is stocked with over 250 big carp, so be prepared for some great action. Also resident in the main lake are a selection of catfish to over 100lb and last but no means least is Mervin the massive sturgeon who weighs in at over 70lb and is an arm aching delight to catch! All the fish in Brittany Mill Lakes are of the highest quality and have only been stocked from reputable fish dealers. They are fed throughout the year on a high nutritional pellet diet which keeps them in pristine condition. Our aim is not only to keep Brittany Mill Lakes a top class fishery, we also want top class fish!

## We're well equipped!

Brittany Mill Lakes is well equipped to make your journey as light as possible. There is no need to bring heavy bivvys and bed chairs as it's all here waiting for you, we supply the following, quality bivvys, bedchairs, guest seats, landing nets, large unhooking mats, weigh slings, bivvy tables, cool boxes, gas cookers (if required), plus lots, lots more! Everything you need for a fantastic trip.

Mervin the sturgeon, 72lb

## The complete package!

We offer fantastic food at Brittany Mill Lakes. Sit back and relax and let us do all the hard work. Have breakfast delivered to your swim each morning and enjoy a THREE course evening meal in the dining area at 6pm. We cater for vegetarians and special meal requests can be made prior to your trip. All food is prepared in our professional dedicated, commercial quality kitchen. For full details of this excellent part of your holiday see the food page on our website.

*A family run business for carp fisherman!*

## What you say about us!

Dave McTaggart (01/07/04): Excellent fishery. Good location, swims well laid out. Well stocked, facilities are excellent. Our week has been really enjoyable. The lake was fishing well. Our hosts Steve, Andrea, Ricky and Mandy were very hospitable and extremely helpful. We will come again and recommend Brittany Mill Lakes to anyone who wants an enjoyable friendly, well catered for fishing holiday.

Jeff Lack (07/08/04): Superb, well run fishery in beautiful surroundings and good quality fish. The facilities and service and especially meals far exceeded our expectations. Hospitality was fantastic, all in all the best we could have hoped for and a bit more. Thank you!!!

Dave Kavanagh (12/08/04): Excellent fishery, 12 acres of quality carp fishing. I don't think I need to say much as my catch report does it for me! 1 week, 18 carp, 5 over 40lb, 12 over 30lb and one at 28lb.

Chris Cox (18/08/04): If you're looking for a French venue to fish, look no further! Stunning lake, awesome fishing, fantastic food (thanks Andrea and Mandy), excellent facilities and bankside assistance. Everything you need for a great fishing experience is here. All in all, Brittany Mill Lakes is a carp fisherman's dream and is an example that other French venues should follow. I will be back Steve, without a doubt!!!
