BODY TREATMENT

The Inchwrap Treatment is guaranteed to disperse unwanted fatty tissue and take inches off your body exactly where you want it, immediately, without strain or stress. The secret lies in the rich concentration of magnesium chloride, potassium chloride and bromines present in the cream. These minerals stimulate the body's lymphatic system to break down toxins and cellulite, overcome water retention and disperse of fatty tissue. The treatment lasts for approximately 1 hour 30 minutes and consists of applying the mineral rich cream to the body then wrapping it round to enhance the inch-loss effect.
